

TESZ[®] - FT300 FOOD THERMOMETER

The FT300 Digital Food Thermometer comes in a sleek yet functional design to measure food temperature. It is suitable for usage in kitchen or galley in all industries.

FEATURE

- Measure up to 300°C (~ 572°F)
- °C/°F Select Switch
- Automatic Power Off
- Data Hold Function
- High and Low Temperature Alarm Setup

APPLICATION

The FT300 Digital Food Thermometer is designed with a foldable probe that allows quick and easy temperature taking at different angles. The foldable design also allows safe storage after usage.

DETAIL SPECIFICATIONS

Maker	TESZ®
Model	TFT300
Range	-50°C~300°C (-58°F ~572°F)
Accuracy	±1°C (0°C~200°C) ±2°C (-50°C ~0°C) ±3°C (200 °C ~ 300°C)
Temperature Resolution	0.1°C (0.1°F)
Battery	DC3V
